To

All the DDOs in Haryana State.

Memo No.:TA-HR(DMC)/1P/2012/Spl-1  
Dated: 18.01.2012.

Subject:

**Uses of SWAN for eSalary as well as 'Online Budget Allocation System software.**

Please refer to the subject cited above.

2. Government of Haryana has now been decided to implement eSalary project (a web based software) in the State, which is to be run by all the DDOs as well as Treasury Officers. DDOs are already running web based software i.e. 'Online Budget Allocation System' by using broadband and internet connectivity. Now Government has installed State Wide Area Network (SWAN) in all the office the State upto block level to integrate all the offices at one platform. SWAN is having not only very high bandwidth (speed) as compared to broadband/internet connection but also free of cost for the Government department. Almost all district treasuries/sub treasuries have been shifted on the SWAN.

SWAN can be used by using the following steps:

For using the eSalary software:

- (i) Click on browser (Internet Explorer)
- (ii) Type <http://10.145.0.4/eSalary> in address bar and click on enter key on keyboard.

The above two steps will facilitate users to use the software of eSalary.

For download and upload Budget through SWAN:

- (i) Click on browser (Internet explorer)
- (ii) Type <http://10.145.0.4/ba> in address bar and click on enter key on keyboard.

The above two steps will facilitate users to download and upload Budget through SWAN.

The DDOs who are yet to switch over on SWAN they need to contact their Administrative Authorities in this regard.
